Ad should be sketched on an attached sheet exactly as it is to appear (\$25 fee may apply—see NOTE\*), or you may supply a digital file (PDF is preferable). Advertiser is to furnish any required photographs, trademarks, etc. Please note: **new hard copy ads will incur the design fee.**

**\*NOTE: Ad prices listed above are for digitally supplied ads, in an acceptable format, sized to the dimensions listed.** • There is an **additional design fee of \$25** for new ads that are not digitally supplied or need work. This fee is added to the funds for directory production expenses and grants, and is a reasonable alternative to messing around yourself if you don't know what you're doing. • Digital ad files should be either submitted on a CD or e-mailed to [sales@gouletprinting.com](mailto:sales@gouletprinting.com). (PDF is preferable; ask first about other formats—Microsoft Word files and Publisher files, for instance, must be re-created and will incur the extra charge.)
